Doctorate Completion Track

Registration Form

Student Name (please print clearly): _____

The Doctorate Completion Track program is designed to be two trimesters in length and is based on a cohort model. Students may elect to take the program at a slower pace, so long as they complete the program within a maximum of four trimesters.

Note: Enrolling in less than the set schedule below will extend the length of the program beyond two trimesters. Courses not taken from the set schedule in Summer 2023 must be registered for in the Spring 2024 term. All courses and requirements must be completed by Summer 2024.

Please indicate below which courses you are registering for. Choose only ONE of the Research courses below.
